Sir,

Introduction of toll in Belur Municipality

I have the honour to state that Belur Minor Municipal Council their meeting held on 9-7-1943 resolved to establish municipal toll gates in their municipality and the President issued a notification dated 10-8-1943 calling for objections if any against the proposal since no objections were received within the prescribed time of one month from the date of the notification, the Municipal council in their meeting held on 28-8-1943 resolved to obtain sanction of Govt for establishing the Toll-gates to Belur Town under Section 61(1)(b) of the Minor Municipal Act 1933

In the circumstances I request that necessary sanction of Govt may kindly be obtained to the proposal of the Council

All the connected papers are enclosed for favour of information and return with orders

Sir,

I beg to state that the Municipal Council having proposed to leavy toll Tax on vehicles on incomming traffic by establishing Toll gates, the fact was published in the Mysore Gazette and in the Town and objections were called for giving one month's time

1128 a M 5/9/43

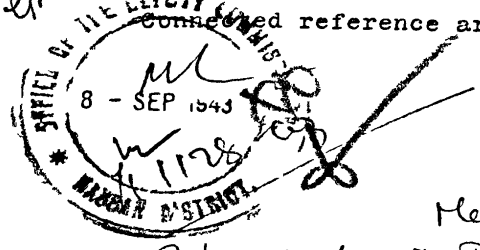
No objections were received from the Public and the Municipal Council in their meeting held on 28-8-1943 have resolved that taxes as per schedule in accordance with section 61(1) (h) of the Mysore Minor Municipal Act of 1933,may be levied and sanction of Government may be obtained for establishing Municipal Toll gates

A copy of the resolution together with the schedule of rates are herewith submitted for kind perusal

The sources of this Municipality are very slender and the Municipality is not able to meet the ordinary requirements The leavy of this tax is found essential The income from this source will have to be met towards the improvement of the Town This Town being a Historical place is often visited by famous people from all parts It is necessary that the Town should be kept neat and tidy and for this a proper source of income is necessary This Town not being a trading centre is not having the required income to meet the obligatory requirements of the Municipality Hence I strongly recommend that the tax proposed should be levied according to the schedule

Gr 8228

Under the circumstances I request that sanction of Government may kindly be obtained for establishing Municipal Toll Gates at Belur



Connected reference are herewith submitted as enclosures

The Municipal President has since furnished the information called for in your letter No L 10645/M1 dated 15-4-1944 and the same is noted below -

The financial position of the Municipality for the current year 47-48 is noted in the margin.(x) A sum of ₹14,555-13-9 has been invested in Govt Savings Bank which will be required for drainage schere A copy of my re. view on the budget has been sent separately

The Municipality has to provide sufficient funds for Town Improvement works and other necessary amenities The schere for surface drainage at an estimated cost of ₹39,930/- has been sanctioned by Govt and the Municipality is urging for underground drainage which is estimated to cost ₹1,40,000/- and this is under correspondence The Municipality has got to discharge a loan of ₹20,000/- sanctioned by Govt for water supply schere. Besides a Municipal High School has also been sanctioned to Belur by Govt from this year and the school has already been opened Thus the Municipality has to provide adequate funds for all the expenditure stated above and it has become very necessary to find out ways and means to

Having all these facts in view, the Municipal Council again called for objections on 27-8-47 to the levy of toll and they have finally resolved at their meeting held on 27-9-47 to levy toll at the rates mentioned in the notice as no objections were received in this behalf.

In view of the above circumstances I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council for the levy of toll The connected records are enclosed f favour of perusal
